

OCTOBER 2021

FUNDACIÓN VÉRITAS NEWSLETTER

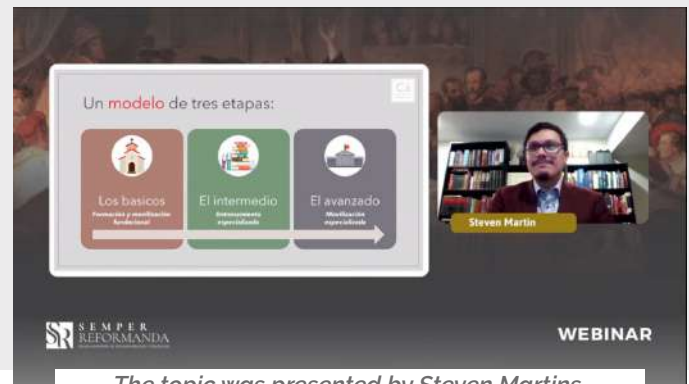

With this year coming to an end, we cannot stop thanking God, because in his infinite goodness and mercy, and even through challenging times, **He has been our All Sufficient and has provided to our lives.** By His Grace, He has moved your hearts to continue contributing to this initiative that exalts His Name.

Getting prepared in God's Word, allow us not only to know about Him, but also to believe and live through the Gospel itself. It is thanks to your contributions, that this is possible for many Christians; whom through the study of the Scripture, are able to impact the spiritual life of their congregations and families.

During this month, we held a free webinar named **"La Reforma y transformación de la cultura en Latinoamérica"** ("The Reform and cultural transformation in Latin America" in English); commemorating the worldwide celebration on the Protestant Reformation, on October 31st, and its Historical importance.

We had more than 100 connections for the Glory of God.

The topic was presented by Steven Martins.

DIPLOMADO EN Apologética
Defiende tu fe con argumentos bíblicos

DURACIÓN: 3 MESES
VALOR: \$75
FECHA DE INICIO: 08 DE NOV

ON LINE

Impartido por: Steven Martins
Máster en Estudios Teológicos con un enfoque en apologética cristiana, Director de Cántaro Institute.

In November, we will initiate the **course in Apologetics, imparted by Steven Martins**, who has a Master's Degree in Theological Studies with an emphasis in Christian Apologetics, and is a Director in Cántaro Institute. We expect it to be a Sound Doctrine enriching Diploma Course for those who decide to take it, and it will contribute to the defense of our faith with Biblical arguments.

Our children continue studying the their 3rd study-period of this year. Glory be to God for putting in these parent's hearts, to enroll their children at a very young age, to **grow in Grace and Wisdom** in our Lord.

We encourage you to add to this effort!

We will be holding our Holiday Biblical School in the month of December. If you wish to support children by contributing to their inscription and participation, please contact us at:

informacion@fundacionveritas.org

In October, we celebrated our Children! We thank God for their lives and protection to our teachers, students and families.

It has been very exciting to be able to share blessings with the whole ACI Family again.

As Fundación Véritas, we continue innovating and promoting different activities, in order to collect more funds to be able to contribute in the transformation of our society through Christian Education.

One of the activities we have been carrying out with this purpose, has been selling high altitude coffee, grown at more than 1,400 feet in Chalatenango, El Salvador. This sale allows us not only to promote the organization itself, but also to collect funds to support our scholarship fund.

Products that give
LIGHT

PRAYER PETITIONS

We thank for your prayers and support.

We continue praying for you, whom are part of our family. We pray the Lord to continue being your All Sufficient and to be your families' sole Provider; so we can continue expanding the knowledge of God's Scripture.

We pray the Lord for our scholars – for their enthusiasm not fail in difficult times and for them to be able to continue studying and serving in the body of Christ. We pray they can continue taking the Gospel to their families and to the nation, transforming others thoughts through their own testimony.

LET'S ADD MORE SUPPORT

Do you know other people that would be interested in joining this effort? Please refer them to us, so we can provide more information. Contact us at: info@fundacionveritas.org
